

Marion & Ms B

Tap dance splashed with burlesque

MARION & MS B is a tap cabaret duo combining the talents and charisma of Marion Sandner (Paris AirTap ,Swing Tap, Les Oignons) and Jazmin Baret (Jazmin & Saphar, Banana Burlesque, La Cabaret des Filles de Joie).

As one of the top Paris based tap dancers and teachers, Marion's choreography is irresistible in both rhythm and form. With Ms B's international background in theatre, cabaret and burlesque, there's always a sense of play... and intrigue.

Marion and Ms B have recently starred in a short film/ tap clip directed by Elise McLeod (currently in post production, the album launch of *Les Oignons* at Le Petit Journal (St Michel) and Juliette Dragon's *Paris Burlesque Festival*).
